Parade In Uniform

Little League Field Dedication Saturday

The Grayling Little League plans an all-out celebration this coming Saturday to tie in with Michigan Week when they will parade through Grayling and carry out the dedication of their new field located on the North Downriver Road just west of the I-75 expressway. League president Arthur Thayer announced the first of this week.

THE PARADE will form in the city parking lot behind the Chief Shippen Motors Hotel and lead off by the Grayling High School band, all members of the Little League and Major League will

march in uniform the length of Michigan avenue to the County road and on to the field. The parade is slated to get underway at 1:30 p. m.

The dedication service is scheduled to start at the field at approximately 2 p. m. Invocation will be given by Rev. Charles McMahon. Introduction of the members of the League's Board of Directors will be made by League President Thayer who will then present Jack Toepf of Cadillac, former State Representative who will be the main speaker. Mr. Toepf, a former radio sports-caster and connected with the Cadillac radio station has been active in Little League circles about the state.

Jack Millikin of Grayling will then be introduced and asked to throw out the first ball. The new field has been named, "Millikin Field" in recognition of Mr. Millikin who made available most of the equipment and labor to build the field.

Other entertainment is planned both in the parade and at the field but confirmation had not yet been received early this week, President Thayer stated.

A Little League game between the teams of the American Legion Post 106 and the Grayling Lodge 1162, Loyal Order of the Moose will windup the activities of the Little League for the day.

In case of rain on Saturday the dedication program will be rescheduled for the following day, Sunday, May 23rd.

MEMORIAL DAY PARADE MAY 29th

The Memorial Day parade this year will be held on Saturday, May 29th, at 10 a. m., according to Legion Post Commander Harold Drake, instead of on May 30th so as not to conflict with church observances. All veterans and Legionnaires are urged to participate. Other organizations and groups are invited to take part, and are asked to contact Jack Rasmussen or Harold Goinick as to their plans.

Eagles Split In Week's Play

The Frederic High Eagles baseball team split in last week's play as they were stopped by Gaylord St. Mary's 10 to 2 but dropped Alanson by a 13 to 10 score.

This week, Frederic was to entertain Vanderbilt on Tuesday and to Boyne Falls on Friday to windup the diamond season for this year.

In the standings through last week's play, Gaylord St. Mary's is in first, Boyne Falls second, Vanderbilt third and Frederic, Rapid City and Alba are all tied for fourth.

Kiwanis Club Notes

By Wes LaGrow
This week's meeting of the Kiwanis Club of Grayling was held Monday evening at the Chief Shippen Motors Hotel. Nine members of the Grayling club were in attendance to make it an interclub meeting.

The Grayling fellows brought back the Grayling Club bell which was hoisted from the local club at another interclub session. The Grayling Club kindly returned Gaylord's banner which somehow had inadvertently gotten into the hands of the Grayling club.

It was reported that the Trade Show which the club sponsored jointly with the Grayling Womens Club was a huge success. The club wishes to thank the citizens of Grayling and all others for the fine cooperation.

NOTICE

May 27th Chamber Meeting to be held in Frederic Town Hall, 7:00 p. m. All interested Frederic citizens invited to attend.

ANNEXED DISTRICTS ELIGIBLE TO VOTE

Supt. of Schools Joseph Stripe has announced that registered voters in the recently annexed Beaver Creek School District are eligible to vote in the school election to be held June 14th when one trustee will be elected to the Grayling School Board. He also stated, according to legal council, the registered voters in the Feldhausen School District will also be able to voice their opinion in the election if they vote to annex with the

PROCLAMATION

WHEREAS, The Little League Baseball Club of Grayling is instrumental in promoting recreation and training for the youth of the community, AND

WHEREAS, Saturday May 22nd is dedication day for the Little League Baseball Field in Grayling, NOW

THEREFORE, let it be resolved that this day be declared as Little League Day in Grayling.

J. F. Cook, Mayor, City of Grayling.

Dr. S. A. Stealy Honored At WSU

The 13 surviving members of the Wayne State University School of Medicine Class of 1915, which originally numbered 47, will be honored Wednesday night (May 19) at the Sheraton-Cadillac Hotel, with the presentation of Golden Anniversary Diplomas. Among them is Dr. Stanley A. Stealy of Grayling.

Eleven of the recipients live in Michigan; the other two in Florida and California.

Awards are presented to 50-year graduates of the School each May by the School's Alumni Association, in connection with a Clinic Day sponsored by the association.

The class of 1915 was the second to receive their M. D. degrees from the Detroit College of Medicine and Surgery. Until 1913, the institution had been known as the Detroit College of Medicine, but upon Dr. Burt R. Shurly's assumption of the deanship, the College was reorganized and renamed. This name change was only one of several in the transition to what is now known as the Wayne State University School of Medicine.

Saginaw Chamber Group To Visit Grayling Today

A delegation of members from the Wholesale Division of the Greater Saginaw Chamber of Commerce will be visiting in Grayling on Thursday, May 20th.

The purpose of these Goodwill Trips is to promote business for the Wholesalers of the Saginaw area as well as to stress the idea that the Wholesalers do not merely consider their customers as "figs on a paper." Instead, these firms want their accounts, in various towns and cities, visited, to know that they are genuinely interested in their business and that they are also eager to help these people with any problems which they might come across in connection with their ability to supply their customers with the products desired.

Grayling City Manager's Comments

I would like to take this opportunity to publicly thank the people of Grayling for their cooperation in the Clean-up, Fix-up, Paint-up Campaign and also the courtesy shown the people who conducted this drive.

WE HAVE a good town and when people show such interest and pride in their community it is most gratifying. Strangers coming here judge us by our appearance and when we can show them we are making an effort, then they will come again.

Grayling, because of the many activities that take place here, is known throughout the United States. Because of our geographical location, we are in a position to attract business and firms to settle here. But before they will come, we must show them that we are a progressive community, that we have pride in ourselves and our town.

So keep up the good work of cleaning up yards, fixing up your fences, etc., and painting, if possible.

Harold S. Cliff, City Manager

Many Aided In Street Decorations For Week

The colorful and significant street decorations in Grayling for Michigan Week were the result of the cooperation of many persons according to Earl "Chum" Longworth, manager of the Crawford County Chamber of Commerce.

FIRST the City of Grayling and the Chamber worked together on the planning and ideas for the decorations. Then thanks must be given to the State of Michigan, Ohio, Indiana and to Puerto Rico for the loan of their flags.

The Grayling Reel Corp. made and furnished the bases upon which the flags and military units symbols are displayed. The Stephan Wood Products Company made and furnished the flag staffs.

The decorations are for Michigan Week but it is hoped that the state flags may be held for display during the summer encampments for the various National Guard units to train at Camp Grayling this summer.

Mercy Hospital Continues To Move Forward

For those who have not seen the inner workings of a hospital before, the experience is a reassuring one. It's reassuring in the sense that hospitals show dramatic progress made in recent years in both the scientific care of patients and in the administration and management of these complex institutions.

IN A TIME when an average of one out of every seven persons goes to the hospital for treatment each year, we need to know that our hospital meets its obligations by providing high-quality patient care. The up-to-date facilities and comprehensive health services found in Mercy Hospital and the dedication to patients exhibited by hospital personnel convinces us that we are indeed receiving the benefits of modern scientific care.

Once an institution for custodial care of the very sick, the hospital today has developed into a complex health center with the means to treat all types of illnesses.

We also found evidence that the hospital is never satisfied with the status quo, that it continually looks for new ways of providing better care and of protecting the consumer's health care dollar.

Great strides have been made in recent years in many fields of endeavor, but none more important to the welfare of the individual than the progress in health care. Mercy Hospital has been a primary force in bringing these benefits to our community, and has recently opened a Physical Medicine and Rehabilitation Department. For this, we publicly thank the hospital and all those affiliated with it.

MEN

Your Crawford County Cancer Society unit is sponsoring a cancer-defection program to be offered to all males 21 years and over residing in Crawford County. This basic cancer check-up can be facilitated by obtaining the chest X-ray, blood sugar test and blood smear for evaluation at the American Legion Hall on Wednesday, May 26, from 1 to 3 p. m. and 4 to 7 p. m., on May 27, from 10 a. m. to 2 p. m. and 3 to 7 p. m., and on May 28 from 12 noon to 4 p. m. followed by examination at the doctor's office by a medical doctor of your choice.

THE DOCTORS on the staff of Mercy Hospital have agreed to cooperate with this program and it is desirable to make your appointment before June 30 to take part in this program. This entire check-up can be obtained at a cost of \$6, one-half to be paid by your Cancer Society and \$3 by the individual to the doctor at the time of his examination.

The Sisters of Mercy Hospital are cooperating in making this a better program by offering to run the blood smear evaluations. The Bear Archery Company is actively encouraging their employees to take part in this program.

More men than women died of cancer last year and have since 1949. A good doctor and a good patient are the most formidable combination to fight disease. When either one falls down in his obligation, disease has an easier job in overwhelming the patient. The doctor can't help you unless you help him. No cancer ever cured itself. Where can you purchase peace of mind for \$3 and a little of your time?

Have you had your annual check-up?

City Police Arrest 3, Issue 17 Tickets

City Police of Grayling were very busy over the past week, making three arrests and issuing 17 traffic tickets.

Linda Joyce Shelly, 17 of Howell, was charged with reckless driving on May 16th, for driving without an operator's license and also for being a minor in possession of beer. She refused to furnish identification, to give her right name and was locked up at 4 a. m. May 16th, and later released to her parents. She will appear before Justice Gothro in the near future.

James R. Wakeley, 20 of Grayling, was charged with reckless driving on May 10th. He appeared in Justice Court on May 17th, made the plea of not guilty and will have a trial in the near future.

Larry Arthur Crouch, 24, of Grayling was arrested May 12, for disorderly conduct. He appeared in Justice Court on May 13 and pleaded guilty. He was given a fine of \$100 and court costs of \$15, and 30 days in jail. The fine and costs were paid and the 30 days suspended pending 6 months probation.

Tickets were issued to the following: James Frank Toye, 17 of Grayling, for speeding on May 12th. Franklin Newberry, 24, of Frederic, for failing to stop for a stop sign, May 12. Richard S. Lippard, 21 of Grayling, for speeding May 13th. William Alan Stewart, 23 of Grayling for speeding May 13th. Larry Dale Baynham, 25 of Frederic for failure to stop for a stop sign May 14th. Sandra Jean Every, 24, Grayling, for speeding May 14. Norman Sorenson, 21 of Grayling for driving in a prohibited zone, the sidewalk, May 15. Elmer William Stohl, 55 of Iron Mountain, for failure to yield the right of way and becoming involved in an accident, on May 15.

Robert J. Thelen, 21 of Pewamo, for littering by throwing a glass jar from a vehicle, May 15th. Gloria Jean Rasmussen, 33, of Grayling for speeding, May 15. Pamela Ann Oetzel, 18 of Detroit, for speeding, May 15. Richard Leonard Jackson, 18 of Kalkaska, speeding May 15. Robert Eugene Cooper, 21 of Grayling, for speeding May 15. Larry William Bancroft, 17 of Grayling, for speeding May 15. Sharon M. Neal, 17 of Belleville, for speeding on May 16. Neil James Rouse, 21 of Frederic, for speeding May 16. Joseph Angelo Bloos, 21 of Roscommon, for speeding May 16.

All the above were given summonses by Grayling City Police and have appeared or will appear in the near future before Justice Don K. Gothro.

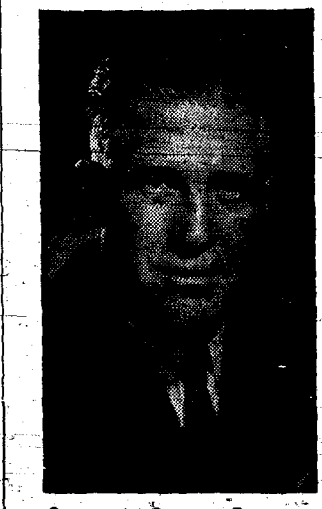

Annual Junior-Senior Party, May 27th

'Progress Cavalcade' Set for This Friday

GRAYLING VISITOR FRIDAY

Governor George Romney

Approve Local "Head Start" Project

United States Congressman, Elford A. Cederberg, revealed Tuesday afternoon that a local project "Head Start" had been approved by the Office of Economic Opportunity that day.

The eight week project will give 20 Crawford County preschoolers an eight week course this summer. This project attempts to bring children of the underprivileged even with other children by the start of school.

The project which will receive \$2,512.00 in government funds will also get a local contribution of \$290.00. There will be one center and it will be operated by the Grayling Public Schools. About twenty children will be involved with one full time paid neighbor resident, two professional and six volunteers.

Over 2,000 Attend Trade Show Here

Over two thousand people attended the three-day Trade Show jointly sponsored by the Kiwanis Club and Woman's Club of Grayling last weekend. Overall chairman was Eric Post, with Mrs. Walter Truettner and Mrs. Thomas Haugh co-chairmen.

MAJOR prize-winners were Mrs. Melvin Nielson, \$50, and Mrs. Don Jensen, \$50, Steve Fick, son of the Charles Ficks, a bicycle, and Robert Bright, son of the Roger Brights, a Bear Archery bow. Hundreds of prizes were awarded from the booths with displays or banners.

The Trade Show committee would like to extend its deep appreciation to everyone who assisted in making the event such a success, either with work or donations.

Among those providing prizes given were Black & White Market, The Avalanche, Bear Archery Co., Renaud's Sunoco, Dairy Queen, Cadillac Overall Co., Werts' Lone Pine Inn, Arrowhead, The Jolly Redskin, Davis Jewelry, American Legion Post 106, Grayling Bay Service, Bill's Laundry-It, Grayling Bottling Co., Ben Franklin Store, Mike's Southern Sunoco, Olson's Shoes, Grayling Oil Co., Grayling Restaurant, Grayling State Bank, Curly's Drive-In, Grayling Bakery, Dick Dodge Chevrolet, Grayling Pharmacy, Chir's Standard Service, Jack Waincoat, Dawson's The Spinning Wheel, Hoerl's Decorating, Flowers by Josie, Pete's Sinclair, Welsh's Gulf Service.

Grayling-Houghton Lake Students Exchange

As part of the Michigan Week activities on Monday and Tuesday, May 17 and 18, Grayling and Houghton Lake High Schools exchanged five students and a faculty member. Grayling seniors Kerry Clough, Ed Robertson and Beverly Johnson, and juniors Art Wakeley and Betty McLeod, with social studies teacher Jack Trudgeon, were exchanged with the Houghton Lake students Christine Detmer, Loral Brock, Craig Kastle, Greg Anderson and Bill Meyer and social studies instructor Lou Economou. The students carried programs similar to their home schedules and attended classes the two days.

One of the highlights of Crawford County's observance of Michigan Week will be a "Cavalcade of Progress" on Friday, May 21st. The Cavalcade will be a tour of the many points which give evidence of the growth and progress in economic and cultural areas for our county. The tour will include a luncheon at 12:30 p. m. at the American Legion Hall to honor Governor George Romney and other distinguished guests.

THE CAVALCADE will form at the new City Hall at 11:00 a. m. All interested persons are invited to assemble at that point and be prepared to join the cavalcade in their own cars. A fleet of courtesy cars furnished by the automobile dealers of Grayling will carry the Governor and other members of official party. The Governor will arrive at the McNamara Air Base by plane and will come directly to the new City Hall. Mayor J. F. Cook will head the group of civic leaders who will extend greetings to the Governor.

After seeing the new City Hall the tour will go immediately across the street to the new library building. The Cavalcade party will then go by car to the following points: Grayling's new waste disposal plant, the new nurses home at the hospital, the fish hatchery and to the new Little League ballfield. They will then return to the American Legion Hall for a luncheon.

The trip will resume after lunch with a visit to the Bear Archery Company and to the Winter Sports Park, site of the new year-round recreation development. Following this the tour will depart for Frederic to view the recently completed community fire hall and to tour the Frederic souvenir works. If time allows, the party will continue to other such points of interest as Hartwick Pines and others.

HIGH SCHOOL students will join the crowd at the new library site to greet the governor and the high school band will provide music at that time. All residents and visitors to Grayling and Crawford County are cordially invited to come.

Representing Grayling as part of the Michigan Week program, Mrs. Matilda Bishop attended the statewide Community Action Conference on School Drop-Outs, a two-day event held in Flint May 6 and 7.

THE CONFERENCE was sponsored by the Mott Foundation in conjunction with the Greater Michigan Foundation. Conference participants selected in advance one of thirteen interest groups. These groups met in the Northwestern Community High School of Flint. Following an excellent dinner served at the school, the groups continued working until a late hour, under Dr. Peter L. Clancy, symposium moderator, as problems and solutions of interest groups were reviewed.

On Friday, breakfast programs began at 7:30 a. m. Discussion centers for community action to prevent drop-outs. Mr. Bishop declared "There seemed to be as many approaches to this problem as there were representatives." Many suggestions could be used by any community.

Alumni News

For the first time in 14 years, the date for the Annual G.H.S. Alumni Banquet has been changed — changed to June 19th. It is an experiment. Some members have mentioned that after school is out, it is better so we shall see. According to the activity in Grayling during this month of May, it may be well to enjoy a breather.

THIS DATE change is legal. At our first meeting of the year, we passed an Amendment to By Law No. 4 to allow us to change the date. You might let us know what your opinion is. Best way is to buy tickets and attend.

The letters are on their way to all G.H.S. Alumni for whom we have addresses — 1200 to be more exact.

We want to give a special thanks to those who have helped on this. Twelve Alumni classmates and 10 high school typists have done an outstanding job. Without this help, we can't contact all of you Alumni, so maybe some of you will help next year.

Banquet date — June 19th. More news next week.

Flames Cause \$1,000.00 Damage At Duley Home

An alarm of fire was turned in from the Jim Duley home at 709 Michigan Avenue at 1:15 a. m. Tuesday when fire broke out near the fireplace. The Department estimated that there had been a defect in the fireplace and the fire spread to the studding from it, causing an estimated \$1,000 damage. The flames were brought under control and equipment removed at approximately 3 a. m.

The luncheon meeting on Friday was held at the Bryant Community Junior High. Speaking was Dr. Ernest O. Melby, distinguished visiting professor at Michigan State University and coordinator of the Mott Inter-University Clinical Preparation Program. "What young people are and what they are becoming should be the prime concern of the schools," Dr. Melby said. Dr. Melby continued, "The success of the Flint Community School program lies in its cultivation of a feeling of self-esteem through participation and involvement. You get a feeling you are somebody when you pitch in and do something for your community."

Dr. Woodward C. Smith, Vice-President of Central Michigan University and General Chairman of Michigan Week, told the conference, "Any foundation can experiment and do research, but educators must get the entire community involved through volunteer work."

To Vote For Four County Consolidation

In what is apparently the first try for a four-county consolidation of intermediate school districts in Michigan, Crawford, Ogemaw, Oscoda and Roscommon Counties will conduct a vote of the people on June 14, 1965 at the same time as the annual school board election and at the same polling places.

Other counties or portions of counties have formed four-county units through annexation, but no group this large has planned a consolidation.

On March 25, 1965, the boards of education of all four counties met and unanimously adopted a resolution for consolidation.

At THIS meeting, Mr. Eugene DeMatio, president of the Ogemaw Intermediate District Board was elected chairman of the joint-board committee, and Beatrice Hill, of the Oscoda Intermediate Board was elected secretary.

The reason for the proposed consolidation is to provide educational programs from an intermediate school district office for a four-county area that none of the four counties can accomplish alone.

The consolidation would provide special programs for a combined total of approximately 5,000 pupils.

There are a variety of special programs that the new four-county intermediate school district could provide such as a remedial reading program, with a reading consultant; A program of curriculum study and improvement, with a consultant; Special education programs.

Visiting teacher programs and federal programs information on which will be given at a later date. Already in operation is a speech correction program in cooperation with the Roscommon and Houghton Lake districts.

ALL OF THE town school district administrators have joined with the intermediate district superintendents in approving such a consolidation because of the great educational values.

All the school districts of the four-county area would derive direct benefits from the educational programs available from such a consolidated intermediate district, programs impractical from a cost standpoint for the individual districts to carry out alone.

Meet To Plan District Consolidation

There is to be a meeting of school administrators, board of education members and community leaders at the county building in Roscommon, Thursday afternoon, May 20th, at two o'clock. Mr. Geo. Brown, Public Relations Specialist of the Michigan Education Association is to be present to organize plans to encourage a favorable vote on the consolidation of Crawford, Ogemaw, Oscoda and Roscommon counties into a single intermediate school district.

The election to decide the consolidation is to be held at the same time as the regular school election on Monday, June 14th.

BITS O' TALK

Mr. and Mrs. Gordon Pond and daughter Candy drove to Muskegon Saturday to join Mrs. Pond's mother, Mrs. George Woods of Detroit, and her sister and husband Mr. and Mrs. Leo Purvis of Muskegon. On Sunday Mr. Pond and Candy returned home, and the others left for Los Angeles, Calif., planning to go by way of Colorado. They will visit another sister, Mr. and Mrs. Carl Denham in California. Mrs. Pond plans to fly home Memorial Day weekend, the others will go on to Oregon and Washington.

Mrs. Elva Barrie is spending some time with her daughter and husband, Mr. and Mrs. A. L. Roberts. She accompanied her daughter, Mrs. Edna Blair, here from East Jordan Mother's Day.

Bill Kraus, Jr. transferred home from Marist Prep school at Bedford, Mass. and has been attending Grayling High school since the first week in May.

A white flowered clip hat was turned in at the Avalanche office following the recent big wind.

Mrs. Grover Cox, Mrs. Ralph Hoffman and three youngest, and Mrs. Carl Tahvonen drove to Mio Wednesday to visit Herman Bidvia, who had returned to the nursing home there Monday after being in Grayling Mercy Hospital for a week.

Mr. and Mrs. Frank Bond entertained their son Jon and wife from Mt. Pleasant on Mother's Day. The Bonds spent the previous weekend in Harrisville visiting their daughter and family, the Fred Millers, Ronnie and Susie, and while there attended the Harrisville High production of "Anything Goes" directed by Bob Peters of the music department.

The final meeting of the Wednesday Night Bridge club for this summer was last week at Mrs. Bill Joseph's home. First prize went to Mrs. Harry Souders, second to Mrs. Ward Ellison and third to Mrs. Joseph Stripe. Mr. and Mrs. Matt Bidvia met their friends Mr. and Mrs. Harry Nagel of Allen Park in Frankenthum Sunday for a chicken dinner. The Mystics, Walt Fallon of MSU, Pat Cox from Freeland, Larry Andrews from Angola, Ind., and Jon Bond from Mt. Pleasant, played for the Rogers City Jr. Prom May 1st, and for the Vassar High Junior Prom May 8th.

Mrs. Ernest Larson and Mrs. Matt Bidvia were in Traverse City Wednesday of last week. Douglas Nielson, son of the C. H. Nielsons, took a 22-inch 5 pound plus rainbow trout near the mouth of the East Branch the first week in May, using bait.

Mrs. Herbert Wolff left April 28 to visit her daughter and family, Mr. and Mrs. William Tutt and son Bruce in Minneapolis. They all returned here Saturday, Mr. Tutt to attend the Bear Archery sales meetings being held this week. They expect to visit Mrs. Wolff for about ten days.

Mrs. Fred Wiehe celebrated her birthday anniversary May 12th, and members of her family came to spend the evening and enjoy ice cream and birthday cake, extending their best wishes for many happy returns of the day.

Mr. and Mrs. Lewis Stillwagon, Mr. and Mrs. Bill Stewart, Harry Travis, Mrs. Florence Douglas and Mrs. Bud Gould attended a dinner at the Eagles Hall in Grayling Thursday evening at which Attorney General Frank Kelly was the guest speaker.

Mrs. Carl Larson was hostess to the Bunco Club Thursday. Mrs. Floyd SanCarter won first prize, Mrs. Shirley Arnold second, and Mrs. Kip Papandick low. The penny prize went to Mrs. Walter SanCarter. Guests for the evening were Mrs. Lewis Krome and Mrs. Arthur Hunt. The next meeting will be May 27th with Mrs. Matt Edson as hostess.

Legion Auxiliary News

The Auxiliary meeting was called to order Tuesday, May 11, by president Mary Jorgenson. After the opening prayer four new members were taken in, Roberta Wright, Louise Feldhauser, Flora Vigneaux and Dix Riggs.

We had some real nice committee reports. The president announced that the 10th District meeting is to be held June 13 here in Grayling, with dinner to be served at 2 p. m. at the Legion Hall. There will be separate meetings for men and women afterwards.

May 25 is the last social meeting until September, so let's get out girls and have a good time. The June 8 business meeting is the election of officers for the coming year, and election of delegates for the state convention. Please try to turn out.

Welcome Visitor . . .

What interests the readers of weekly newspapers? The Suburban Press Foundation conducted a survey to find the answer to that question, and Editor & Publisher has printed the results. They cast a revealing light on the wants of the millions of people who live in the small towns and the countryside.

As one would expect, local news led the field in readership, with 92.9 per cent of those polled saying they always read it; 6.5 per cent saying they read it sometimes; and only 0.6 per cent confessing they never read it.

Next — and close behind — came editorials and local columns. A mere 0.7 per cent said they never read these.

Third in reader interest was advertising. Only 2.7 per cent said they never read it. All the rest said they always or sometimes read it.

Actually, the whole weekly paper is very thoroughly read. Even the poorest read classification — sports news — drew a combined "always" and "sometimes" readership of 89.1 per cent.

The weekly newspaper is one of the most welcome of visitors to rural homes. It stays for seven days, not just one. And the whole family has a lasting and hearty appetite for just about everything in its column.

Understandable . . .

According to reports from Washington, labor leaders are chafing because of the Administration's apparent reluctance to move forcibly in support of the legislative program on which they are gathering all the political power they can muster.

And it is an ambitious program indeed.

Top priority is given to elimination of section 14b of the Taft-Hartley Act, which permits the states, if they so choose, to pass Right-to-Work laws. Along with this is a demand for a 35-hour work week, a \$2 an hour minimum wage, and expansion of minimum wage coverage to some 10 million workers, mainly in the service industries, who are now exempt.

The unions, to sum-up, want to obtain their membership on the basis of compulsion, rather than service — without Right-to-Work, the man who refuses to join is free to enter the ranks of the unemployed. And they want wage and work-time provisions based purely on fiat, not on productive ability or skill. One can hardly think of a better way to bring on a new surge of inflation.

The Administration's lack of enthusiasm for this program may puzzle and irritate these leaders. The rest of us will understand the reasons for it.

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

May 21, 1942

Crawford County has the distinction of being the first county in the State to report that its USO quota has been raised. In a letter to the National Treasurer of USO, Mr. Alfred Hanson, who is treasurer of the Crawford County USO drive, said: "We hope we are not breaking any rules or laws by having our check in your office on the day the USO campaign opens nationally. The people of Crawford County are backing all drives 100 per cent and believe in getting the job done soon."

Life memberships in the Masonic and O.E.S. fraternities were issued by both of these organizations at a special meeting held last week Thursday night, at which Worshipful Master George Granger presided. Those receiving life certificates in the Masonic fraternity from Grayling Lodge were Lars Rasmussen and Oscar P. Schumann. Two other members entitled to that honor were Esbern Hanson of this city and Olaf Michelson of Detroit. The two latter were unable to be present. Following the Masonic presentations, a similar ceremony was conducted by the Eastern Stars. Worthy Matron Mrs. George Hilton presided and announced that Grayling Chapter was that day celebrating its 50th anniversary, and two of its charter members were still active in the lodge. Mrs. R. Hanson was unable to be in attendance but a committee had waited upon her at home and awarded her a gold life membership certificate. Mrs. H. A. Bauman then was presented and received a similar gold life membership certificate. Fifty years of service in Grayling Chapter is a rare record and an honor that can come to but few. Luther Herrick and Mrs. Elmer Matson received life certificates in Grayling Chapter.

Lilies, of which there is a profusion at the present time, and greens decorated the home of Atorney and Mrs. Merle F. Nellist on Sunday afternoon for the wedding of their daughter Vivian G. to Cleo J. Kimball of Detroit, son of Mr. and Mrs. James Kimball of Ashmore, Illinois. The Rev. H. W. Kuhlman of Michelson Memorial church, read the service at 4:30 with the families of the couple and a few friends witnessing the ceremony. Miss Beverly Schable was her attendant. Mr. Lowell Overly of Detroit officiated as best man. The newlyweds left Sunday evening for Detroit where the groom is employed and where they will make their home.

Grayling Kiwanis enjoyed an excellent program Wednesday at Shoppensons Inn. City Manager Granger was scheduled to give a talk on the city budget. Adding interest to the meeting was the presence of Capt. Norman L. Ballard, son of Dr. Ballard, formerly of Bay City but now an AuSable river resident. Capt. Ballard is stationed with the air corps at Boringen Field at Puerto Rico. He gave an informal short talk on his experience in this hot war zone. He has done much of his work in aerial observation.

Leo Koerper of Detroit spent the weekend here with Mrs. Koerper at the Ingley cottage at Lake Margrethe.

Mr. and Mrs. Ray Duby of Lovells township are happy over the arrival of a daughter born last Thursday at Mercy Hospital. She weighed 7 pounds and is named Shirlee Ann.

"Here's the price of a subscription; send the paper to some Grayling boy in the service, said William W. Quinn, Wednesday. Mr. Quinn is a retired engineer and recently came from Saginaw to Grayling to live with a son who is night operator at the M. C. R. ticket office.

Harvey Reagon of Flint spent the weekend with his mother, Mrs. Frank Beckman.

Frank Brady of Traverse City spent last week visiting his brother John Brady and family.

Mr. and Mrs. William Schreiber of Dearborn spent the weekend visiting relatives and friends here. Mr. and Mrs. Delbert Wheeler, Mrs. Roger Kneff and Mrs. Marion Burch spent Monday in Petoskey. Dr. and Mrs. J. F. Cook have moved into their new home on Michigan Ave., the former M. A. Bates home.

Wes Hayes was inducted into the Army Air Corps at Traverse City and from there was sent to Camp Custer. Mrs. Hayes, mother of Wes, of St. Louis, and Mr. and Mrs. Robert Hayes accompanied him to Traverse City.

Mr. and Mrs. Lon Hoath and daughter Joyce, Mr. and Mrs. Leo Jorgenson and daughter Leone spent the weekend in Holland at the tulip festival and also visited Staff Sgt. and Mrs. Glenn Haynes in Grand Haven.

Another of our boys is making an outstanding success in life. F. J. McClain, son of Mr. and Mrs. Floyd McClain, is the new manager of the Fenkel theatre in Detroit, owned by Frank Wetzman and Lew Wister. F. J.'s early theatre experience was with Geo. Olson at the Rialto. Starting as popcorn boy, he learned by observation and study the principles of the theatre business. Later he went with The Pines theatre at Houghton Lake, where he again gained a lot of valuable experience. F. J. and his older brother Jack certainly are developing into exemplary citizens.

Floyd Millikin and Leon Johnston of Dearborn spent Sunday visiting Misses Betty Jean Fall and Donna Mae Millikin.

Lyllis King, Helen Newell and Barbara Drescher, who attend high school here, spent the weekend with their parents at Lewiston.

Mr. and Mrs. A. L. Roberts and Mrs. S. D. Dunham are visiting in Lansing for a few days, the Roberts going to visit their daughter Patricia, and Mrs. Dunham her daughters, Mrs. Henry Libcke and family, and Catherine.

Mrs. J. K. Wade arrived Saturday from Detroit to be here for the summer to care for their resort business at Lake Margrethe. Mr. Wade, who accompanied her, is employed in Detroit and returned there after spending the weekend here.

Clayton Anthony, who went to Detroit Sunday to join the Air Corps, was given a 60 day furlough, subject to 24 hour call.

Editor H. S. Babcock and daughter Mrs. Ruth Babcock-Powder of Alma were pleasant callers at the Avalanche Thursday enroute to the Babcock summer home at Harbor Springs, where they will spend the weekend. Mrs. Powder, who formerly resided in South Branch township, is registered at Michigan State College for the summer term and will work for her Master's degree. And she has a position to teach the Smith-Highes Homecoming department at Minden City the next school year.

Detroit after a few days fishing at the North Branch Fishing Club.

Will Lauder wrote a long letter to his father this week in which he tells of the fine time he is having and sending a lot of pictures of the country he has seen. He has been transferred from the ordinance department, which he has been in since he joined the army, to the entertainment section. He says he is seeing a lot of the country and expects to see a deal more before he comes back home.

Esbern Olson drove a fine seven passenger Nash touring car up from Saginaw Tuesday for his mother.

Mrs. A. J. Joseph left Tuesday afternoon for Chicago where she will represent Crawford County in a conference of the Red Cross chairmen and representatives.

R. Follett, vice-president of the Michigan Fish Commission, was in the city Tuesday. He is contemplating the idea of establishing a pond at the local fish hatchery and stock it with grayling.

Nemesius Nelson of Chicago arrived in Grayling Wednesday. His family spent the winter in Florida and have purchased land at Cohutta, in that state and will at least for the present make their home there. Mr. Nielsen will spend a couple of weeks in Grayling looking after business matters.

Fred Alexander has been assisting in the Avalanche office during the absence of Miss Nola Sheehy who is enjoying a week's vacation.

R. Cameron Game entertained a number of friends at her home last evening in honor of Mrs. Emil Hanson of Detroit, who is spending a few days in Grayling.

Seth Chappel left Saturday for Akron, Ohio, where he expects to be employed.

COUNTY SANITATION RESOLUTION

The County Board of Supervisors Crawford County, Michigan, upon recommendation of its Health Committee by virtue of the power invested in this Committee under Act No. 306 of the Public Acts of 1927, as amended hereby adopts this Resolution to prohibit the platting of property until it is determined that provision is made for the development of adequate systems for water supply and sewage disposal; to establish minimum criteria for determining compliance with this ordinance. This Resolution is passed for the express purpose of protecting the health, safety and welfare of the people of Crawford County. It having been determined by said Committee that failure to provide for adequate and safe system of water supply and sewage disposal constitutes a danger to the health, safety and welfare of the people of Crawford County.

Section 1.0 Plats
From the after the effective date of this Resolution, no plat should be approved by the governing board of any municipal corporation in the County of Crawford where such plat is not served by a public water supply system and public sewerage system unless the following requirements have been met and fully complied with by the owner of the plat.

1. SITE REPORTS AND TESTS.
Plats which propose the use of individual systems for water supply and/or sewage disposal shall upon submission for approval to the governing body of any Township, village or city, be accompanied by a Sanitation Certificate of Suitability with respect to water supply and sewage disposal. Said Certificate shall be prepared and signed by the Health Officer of Crawford County or his duly authorized representative. Such Certification shall be based upon an evaluation of a site report which shall be prepared by a Registered Professional Civil Engineer or Registered Land Surveyor. The site report shall be submitted on forms supplied by the Health Officer of Crawford County and shall include the following:

1.11 A statement and plan as to the proposed use, size and arrangement of lots.
1.12 High water elevation in the case of waterfront property; also elevation of maximum ground water table where such is within 6 feet of finished ground surface.
1.13 The location and results of standard percolation tests and subsoil data using procedures acceptable to the Federal Housing Administration and Veterans Administration.
1.14 An engineering estimate of the availability of a water source for domestic use.
1.15 The signature and seal of

veror.
Site reports and the Sanitation Certificate of Suitability shall be prepared in triplicate; one copy shall be returned to the applicant, one copy filed with the governing body of the township village of city, and the third copy retained by the Health Officer.

1.2 SANITATION CERTIFICATE OF PLATS: No plat should be certified where conditions noted in the site report of where the lot size or arrangement of lots do not meet the requirements of this Resolution. Such requirements as hereinafter provided may take into account the size of the structure or building to be placed on a particular lot or plat and may likewise take into account and consider the contemplated use to be made of any lot or plat.

1.3 CRITERIA FOR SANITATION CERTIFICATION: No portion of any plat shall be certified where the following conditions exist.
1.31 Where percolation tests indicate that the stabilized percolation rate exceeds 45 minutes per inch of fall.
1.32 Where ground water elevations are within 36 inches of the ground surface; Provided that where lands adjoin lakes, lagoons, rivers or similar bodies of water, each proposed lot shall provide for an area sufficient for the construction of buildings and sanitary structures, wherein the ground level is a minimum of 36 inches above the normal ground surface table. Said lot area shall be a

minimum of 2500 Sq. Ft. and where sub marginal areas exist a long any shoreline or stream, a set back of at least 50 ft. from said shoreline or stream shall be provided for measured from base of said 36 in. ground level fill.
1.33 Where conditions of ponding or flooding are known to occur and where such conditions will be in conflict with the developments of safe and adequate systems for water supply and sewage disposal.
1.34 Where subsoil structure is of a character which is classified as not suitable for domestic sewage disposal under standards set forth in the Federal Housing Administration Bulletin No. 373, Engineering Classification for Residential Developments, August, 1959.

1.4 SUPERVISORS PLATS EXEMPTED.

It is the intention of this Resolution to exempt Supervisor's plats from the requirements pertaining herein for Sanitation Certification of Subtability.
2.0 VARIATIONS: Variations may be made to the provisions of the Resolutions as follows:
2.1 The strict compliance with the provisions of the Resolutions shall not be required in those cases where physical size, shape or topography of premises make their application an impossibility. In such event the Health Officer shall allow such variances in the division of land as may be consistent with the intent of the Resolution.
2.2 Variations in the tests, standards or general requirements may be permitted by the Health Officer upon application when sufficient evidence of special factors warranting such variance in his opinion do exist.
2.3 In granting variances and modifications, the Health Officer shall recognize and provide for new technical knowledge and advances in sanitation practices and to avoid disruption in the orderly and reasonable development of property when such can be accomplished within the purposes of this Resolution. In no case shall a variance be construed to permit the commission of such act as may in his opinion jeopardize the public health, safety or welfare.
2.5 Any variance allowed by the Health Officer under the provisions of this Resolution shall be made in writing, including the conditions upon which his judgment and action is based. Such administrative variance shall be reported to the Sanitation Board of Appeals at their next regular meeting.

6.0 CONFLICTING REGULATIONS

Where any of the provisions of this Resolution and the provisions of any other local or state ordinance or regulations apply, the more restrictive provisions of any or all ordinances and regulations shall prevail.
7.0 ADMINISTRATION AND ENFORCEMENT
After the effective date of this Resolution, the Crawford County Health Officer, or his duly authorized representative, shall be authorized to apply and enforce the provisions of this Resolution. Where a township, village or city within his jurisdiction enacts or has enacted an ordinance and enforcement procedure equal to or greater than the provisions of this Resolution, such enforcement procedure shall not be duplicated by the Health Officer. The Health Officer is hereby empowered to act within the scope of this Resolution in those instances where a unit of government in Crawford County, assuming its own inspection and enforcement obligations, fails or neglects to do so. The Health Officer shall provide advice, consultation and training for enforcement personnel upon request of any unit of government assuming its own inspection and enforcement program within the scope of this Resolution.

8.0 SANITATION BOARD OF APPEALS

In order that the provisions of this Resolution may be reasonably applied and substantial justice done in the administration of the Resolution, the Health Committee of the Crawford County Supervisors shall serve as a Sanitation Board of Appeals. The duty of such Board shall be to consider and act upon appeals from the decision of the officials charged with the enforcement of this Resolution, and to determine in particular cases whether any deviation or variance from the strict enforcement of the Resolution will violate the public health, safety or welfare be jeopardized.

8.1 APPEALS
Appeals from the rulings of any official charged with the enforcement of this Resolution may be made to said Board within a period of thirty days after the date of ruling. Such appeal may be taken by any person aggrieved or by any Officer, department or Board having vested interest thereto. The Appellant shall file with the official from whose decision said appeal is taken and file with the Board of Appeals a notice of said appeal, specifying the grounds upon which the appeal is made. The official from whom said appeal is taken shall prepare a summary report of all previous action which is pertinent thereto. The final disposition of such appeal shall be in the form of a majority resolution of the Board, either reversing, modifying or affirming, wholly or partly the decision or the determination appealed from.

8.2 HEARINGS

The Board of Appeals shall affix a reasonable time for hearings of the appeal, give due notice thereof to interested parties and decide the same within a reasonable time thereof. Within the limits of its jurisdiction, hereinabove described, said Board shall have all the powers of the official from whom said appeal is taken.

8.3 DECISIONS

The decision of said Board shall be final except that said Board or members thereof may be required under proper mandamus proceedings to show cause why certain actions were taken or decisions rendered.

8.4 RULES OF PROCEDURE, MEETINGS, QUORUM

Said Board of Appeals shall adopt its own rules of procedure and keep a record of its proceedings, showing the action of the Board. The presence of three members shall constitute a quorum. All meetings shall be open to the public.

8.5 COMPENSATION

The compensation of each member of the Board shall be that sum established for regular committee meetings by the Board of Supervisors.

9.0 AUTHORITY

The foregoing Resolution was adopted and passed by the Health Committee of the Crawford County Board of Supervisors on May 10th, 1965.

10.0 EFFECTIVE DATE
This Resolution is hereby declared to be immediately necessary for the preservation of the public health, safety and welfare and shall be effective immediately upon its publication as provided by law.

I certify that I have compared this copy with the original on file in this office and that it is a correct copy of the whole of such original. Grayling, Crawford County, Michigan, May 10th, 1965.

WHAT KIND OF DRIVER ARE YOU?

LANSING — You can find out just how good a driver you are by sitting in your living room. Sound impossible? Not at all if you watch when CBS News presents the National Drivers Test Monday, May 24.

This unique telecast... aside from providing helpful tips to drivers... allows every driver in a family to take a driver test in his home. Test blanks are being distributed by various methods throughout Michigan according to Secretary of State James M. Hare, chairman of the Michigan State Safety Commission.

Hare said that the Michigan safety commission, composed of state officials, and organized safety groups had "given unqualified endorsement to the program."

"If we can help people become aware of their driving habits... good or bad... we'll have contributed tangibly to a safer Michigan," Hare noted.

He said 2,125 persons were killed on Michigan highways last year and nearly 150,000 were injured, some of them permanently. In addition, Hare noted, accidents cost Michigan wage-earners a whopping \$400-million in costs... more than \$1-million each day.

THE PROGRAM will feature a team of stunt drivers who will put millions of viewers "behind the wheel" to give them the experience of the "sight and sound of highway slaughter," Hare said.

Viewers will be tested on their driving judgment in two-car collision situations, and on their ability to perceive driving hazards.

"Michigan drivers will be able to test their knowledge against other members of their family, their neighbors, and some of the so-called experts," said Hare.

Other specially prepared sequences which were filmed on public highways will show how accidents develop and happen. One of the test cars will give viewers the feeling that they are in the driver's seat.
